Children are asked to bring £1 and this money will be forwarded to the campaign.

Sustrans - We encourage children to take active travel journeys to school (walk, cycle, scoot) as this is a healthier option and reduces congestion and pollution in our locality.

Standardised Tests - begin on Wednesday 17th May and will continue over a two-week period. It is important that children attend school so that we complete these tests within this period. The tests are not high stakes. They are useful for us to plan ahead for the next academic year.

Cross-Country - Competition takes place in early June at the Bawnacre Centre, Irvinestown. A number of children P4 - P7 will be taking part.

Early Morning Class - Literacy and Numeracy class continues for the rest of the term (8:30am - 9:15am) for P6 pupils.

Routines - It is important to keep good routines this time of year as evenings become longer. Homework is still an essential part of learning and we ask this is completed nightly. A reminder that school begins at 9:10am sharp. Children must attend school everyday unless feeling unwell.

It is important to talk to your child about good behaviour at all times. Distractions in class detract from the vital learning and teaching process and hinders the learning of others.

Children will be supervised in the hall from 8:30am onwards only. Children being dropped off are reminded to remain in the hall and that a high standard of behaviour is expected.

Safety - As the weather becomes warmer in May and June, a reminder that children should come properly equipped to school. Sun cream and hats are encouraged as well as sending water bottles. These can be re-filled throughout the school day.

Contacting the school - In the first instance please talk to the class teacher. Teachers are not available to speak during class time. If there is a SEN query, you should speak to the class teacher and SENCo. These teachers are best placed to deal with your query.
